TRAINING OPPORTUNITY

New Secretary Portal Training

Changes were made to the Secretary Portal that take effect on November 1st. Come view the changes and/or train on the reporting. Ask those questions you've always wanted to know. Open to anyone in your club. If you have always wanted to try the secretary position or have someone in mind for next year bring them.

Website Design through Kiwanis Int.

Does your club have a website that is managed outside of Kiwanis Int? If so, you may want to check out the PortalBuzz website available through KI.

Adrian Crane from North Modesto Club will be training and showing the New website built for North Modesto Kiwanis. It is very affordable and what a great way to promote your club.

Nov. 14th @ 5:30 in Turlock at Winton, Ireland, Strom and Green Office.

Bring your own dinner and drinks.

CLE TRAINING

One of the mandatory things we must do each year is go through Club Leadership Training. If your club wants to earn "Distinguished" Club Status all club Presidents, Secretaries and Treasurers need to either attend this training or take it online. "ASK ME HOW" if you missed this training.

YOUTH PROTECTION GUIDELINES

Make sure you have provided ALL club members with the Youth Protections guidelines. This is an annual thing we must do.

Make sure you have all Key Club Advisors and any other member who provide transportation up to date on the "Background Checks". They are good for two years. You should be able to view on Secretary Portal.

IGNITE YOUR PASSION!!!!

KIWANIS CHILDREN'S FUND

Did your club set money aside in your budget for a donation to the Kiwanis Children's Fund? What does it fund?

1. Service Leadership Programs
2. Club and District Projects
3. Disaster Relief
4. The Eliminate Project
5. Iodine Deficiency Disorders
