## The Objects of Kiwanis International

*To give primacy* to the human and spiritual, rather than to the material values of life.

*To encourage* the daily living of the Golden Rule in all human relationships.

*To promote* the adoption and the application of higher social, business and professional standards.

*To develop* by precept and example, a more intelligent, aggressive, and serviceable citizenship.

*To provide*, through Kiwanis clubs, a practical means to form enduring friendships, to render altruistic service, and to build better communities.

*To cooperate* in creating and maintaining that sound public opinion and high idealism which make possible the increase of righteousness, justice, patriotism, and good will.

*“If you think you are too small to make a difference, try sleeping with a mosquito.”* - Dalai Lama
